RESERVING AQUASOX TICKET RULES:

First come first serve & only one game can be reserved at a time. Upon reservation the requested tickets and parking passes will be emailed out. Once you have attended that game you can book another. If you are interested in more than one game there will be a waiting list made available. If no other person who has yet to attend a game this season claims the desired game date, the first person on the waiting list will be contacted within a weeks notice of that game.

UNUSED TICKETS PLEASE NOTE:

If you are unable to attend a game you received tickets for and cannot find someone to go in your place, please donate your tickets back to the AquaSox. The "Swing for Kids" Program allows non-profit organizations such as Domestic Violence Services of Snohomish County, Mentoring Children of Promise, and Muscular Dystrophy Association to enjoy the same exciting ballpark experience we take for granted.

To donate your unused game tickets:
